Message

I appreciate that National Institute of Management Excellence has undersood the importance of empowering youth from all the sections of the society through providing quality higher education.

Management educational institutes are very important for a state like ours, which is growing towards becoming a global hub of technology business. With NIME's focus on management education, research and entrepreneurship I am confident that it will play an important part in contributing to the state and national development.

I wish National Institute of Management Excellence all the best for their endeavor and for their future prospects. I congratulate the faculty and the management team to have involved them in laying the foundation for such a premium institute. I also advise students to take the best advantage of the programs offered at NIME.

(Arvind Limbavali)
